It's time to get rid of the South Bay Power Plant!

Join EHC to demand denial of South Bay Power Plant water discharge permits

WHAT: Regional Water Quality Control Board Meeting regarding renewal or revocation of South Bay Power Plant's water discharge permits.

WHEN: Wednesday, May 12, 2010

Press event @ 9 a.m. and public hearing @ 10 a.m. **(If you can only attend one item, please join us for the Public Hearing).**

WHERE: Regional Water Quality Control Board 9174 Sky Park Ct, Suite 100
(Off Ruffin between Aero and Balboa) San Diego, CA 92123

WHY: For 50 years, the South Bay Power Plant has devastated the sensitive ecosystem of South San Diego Bay. In recent months, EHC, its allies and South Bay Elected Officials have sent a unified message – **it's time to get rid of the South Bay Power Plant. The plant is a public health, environmental and economic disaster.**

South Bay residents are requesting that the San Diego Regional Water Quality Control Board terminate all discharges from the South Bay Power
