*Pacifica Companies presents annual awards events honoring
Victories for Healthy Neighborhoods*

SAN DIEGO, February 10, 2014 –[Environmental Health Coalition](#), an organization that fights toxic pollution in San Diego and Tijuana communities, announces its 2014 Awards Celebration: Victory for Healthy Communities on the evening of Thursday, April 10. [Pacifica Companies](#) presents the annual event to recognize community members who were crucial to improving the health and livability of neighborhoods south of the I-8. With a reflection on recent wins and a look towards sustainable community development practices, this event could be viewed as taking a few hours to stop and smell the roses.

The awards celebration has reserved the picturesque Casa del Prado in Balboa Park from 5:30 – 8:30 p.m., a venue with more than enough space for the expected turnout of 350 people, including San Diego’s dignitaries, event sponsors, business leaders, community members and long-time friends of the organization. Attendees can expect a fun and elegant evening of familiar faces, delicious food, music and a beautiful ceremony to honor community members making positive changes in San Diego’s neighborhoods.

Environmental Health Coalition proudly announces [Pacifica Companies](#) as the presenting sponsor of the event for the third year in a row. Pacifica Companies has become a prime real-estate investment platform; its assets extending to all types of housing with a focus on sustainability and community planning. Since collaborating with EHC on the Chula Vista Bayfront Plan, the organizations have formed a strong and effective partnership. Other sponsors include, but are not limited to: [San Diego County Regional Airport Authority](#), [International Brotherhood of Electrical Workers](#), [MAAC](#), [Port of San Diego](#) and [the California Endowment](#). Organizers expect the event to sell out again in 2014. Tickets to the
